INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
FACES SF
San Francisco, California

Opinion

We have audited the accompanying financial statements of FACES SF (the "Organization"), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FACES SF as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FACES SF and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As described in Note 2 to the consolidated financial statements, the Organization has adopted Financial Accounting Standards Board (FASB) ASU 2016-13, Topic 326, *Financial Instruments - Credit Losses*. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FACES SF's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FACES SF's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FACES SF's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying supplementary information shown on pages 32 - 66 for California Department of Education is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 16, 2024, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited FACES SF's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 15, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

FACES SF
Notes to Financial Statements
June 30, 2024

1. NATURE OF OPERATIONS

FACES SF (the "Organization"), also known as Family and Child Empowerment Services San Francisco, is a California nonprofit public benefit corporation. The Whitney Young Child Development Center and the Florence Crittenton Services merged on July 1, 2011 to create a single organization that is dedicated to serving families in need, helping them become independent, healthy, and financially stable. Through licensed and subsidized child care, job training, and family support services, the Organization is improving the overall health and well-being of San Francisco's underserved communities. The many programs of the Organization are primarily funded by the California Department of Education, the federal government, the City and County of San Francisco, donations, parent fees and special grants.

- *Child Development Program* - The Organization provides subsidized early childhood education at three sites across San Francisco for infant/toddlers, preschool, and after-school enrichment for K-6th grade. Services are delivered in English, Spanish, and Chinese. Children are given age-appropriate learning opportunities that focus on creative expression, social and emotional development, and wellness and physical development. In addition, the Organization also manages a Family Child Care Network of over 36 licensed home child care providers in San Francisco, placing children from low-income families in culturally suitable arrangements.
- *Workforce Development Program* - The Organization offers a community-based workforce program in San Francisco through a combination of education, barrier removal, referral, job readiness and placement and supportive services. The program is located in Visitacion Valley and the Organization strives to bridge the gap between the job seeker and local companies looking for qualified candidates. The Organization provides resume assistance, job search workshops, computer access, job leads, scheduled hiring events, and job fairs. The Organization has language capacity in English, Spanish, Mandarin and Cantonese. The Visitation Valley COVID Team leads coordination of several community-based organizations that provide free community COVID testing, vaccinations and wrap-around services for individuals and families specifically in the Visitation Valley and Sunnydale community.
- *Family Support Program* - The Family Support Program provides families with enrollment, engagement, and family support services, particularly for those families who have children with special needs. Through family events, information sessions, a weekly food bank, teacher professional development, push-in and pull-out intervention, and 1:1 coaching session with individual families, the Organization helps ensure that every family has the support they need to thrive as a whole unit.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

In accordance with accounting principles generally accepted in the United States of America, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of accounting and financial statement presentation (continued)

Net assets without donor restrictions - Net assets not subject to donor-imposed stipulations and available to support the Organization's general operations.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that will be met by actions of the Organization and/or the passage of time, as well as net assets subject to donor-imposed stipulations that require they be maintained in perpetuity. The Organization has no net assets required to be held in perpetuity as of June 30, 2024.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets are limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

Change in accounting principle

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Codification ("ASC") 326, *Financial Instruments - Credit Losses*. ASC 326 significantly changed how entities measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The most significant change in this standard is a shift from the "incurred loss" model to the "expected credit loss" model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing any entity's exposure to credit risk and the measurement of credit losses. The Organization adopted the standard effective July 1, 2023.

The adoption of ASC 326 did not have a material impact on the Organization's financial position, results of operations, or cash flows.

Cash and cash equivalents

The Organization places its cash and cash equivalents with high credit quality institutions. Periodically, such investments may be in excess of federally-insured limits. For purposes of the statement of cash flows, the Organization considers highly-liquid investments with original maturities of three months or less to be cash equivalents.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

Investments are comprised of mutual funds and exchange traded funds, common and foreign stocks, corporate and foreign bonds, U.S. Treasury notes, and money market deposits. Mutual funds and exchange traded funds, U.S. Treasury notes, and stocks are reported at fair value as determined by quoted market prices in active markets. Bonds are valued based upon the most recent bid quotation for identical or similar obligations provided by independent pricing services and from broker quotations. Short-term, money market deposits that are not used for operations are treated as investments. Investment income and realized and unrealized gains or losses are reflected as increases or decreases in net assets without donor restrictions, unless their use is restricted by the donor.

Fair value measurements

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Organization determines the fair values of its assets and liabilities based on a fair value hierarchy that includes three levels of inputs that may be used to measure fair value (Level 1, Level 2 and Level 3). Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date. An active market is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. Level 2 inputs are inputs, other than quoted prices, that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for the asset or liability.

The Organization's investments are classified as Level 1 and Level 2 and are valued at closing market prices and bid quotations on the date of business closest to June 30.

Grants receivable

Grants receivable consist of amounts due from governmental agencies. Reserves for potential credit losses are maintained based on past experience and management's review of outstanding receivables. Amounts that are deemed uncollectible are charged to expense in the period collection efforts have been exhausted. There was no allowance for uncollectible grants receivable as of June 30, 2024, as management determined all accounts to be collectible.

Property and equipment

Property and equipment are stated at cost, or if donated, at fair value at time of donation. Asset acquisitions greater than $5,000 and a life expectancy of greater than one year are capitalized. Depreciation and amortization is computed using the straight-line method over the lesser of estimated useful lives of the related assets or the related lease term, which range from 3 to 10 years. Expenditures for maintenance and repairs are charged to expense as incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and equipment (continued)

Property and equipment are reviewed for impairment when circumstances indicate the carrying amount of an asset may not be recoverable. Impairment is recognized if the fair value of the asset is less than the carrying value. When an impairment loss is recognized, the asset's carrying value is reduced to its estimated fair value.

Grants and contracts

Government grants are generally received under contracts from federal, state, county and city agencies. These contracts are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. The Organization has elected a simultaneous release option to account for these grants and contracts and thus are recorded as grants and contracts without donor restriction upon satisfaction of the barriers. Amounts received prior to incurring qualifying expenditures or performing the required services are reported as deferred revenue. The Organization received cost-reimbursable grants of approximately $2,123,700 that have not been recognized at June 30, 2024 because qualifying expenditures have not yet been incurred.

Contributions

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Conditional promises to give are not recognized until they become unconditional; that is when the barrier has been overcome and right of release/right of return no longer exists. Contributions of assets other than cash are recorded at their estimated fair value. Contributions that are not expected to be collected until after year-end are considered contributions receivable. Contributions receivable with due dates extending beyond one year are recorded at the present value of their estimated future cash flows. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenue within net assets with donor restrictions, and a reclassification to net assets without donor restrictions is made to reflect the expiration of such restrictions. As of June 30, 2024, contributions receivable totaled $451,400 and are expected to be collected within one year. An allowance for uncollectible contributions receivable is established based upon management's judgment including such factors as prior collection history, aging statistics of contributions, and the nature of the receivable. At June 30, 2024, there was no allowance for uncollectible contributions receivable as all amounts were considered collectible.

In-kind contributions

In-kind contributions are recorded at the estimated fair value at the date the contribution is made. Contributed services are reflected in the financial statements at the fair value of the services received. Contributions of services are recognized if the services received create or enhance non-financial assets or require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Concentrations of credit risk

The Organization receives a substantial amount of its support from federal, state and local governments. As of June 30, 2024, approximately 100% of grants receivable were comprised of amounts due from two governmental funders. For the year ended June 30, 2024, approximately 99% of grant and contract revenue was derived from two governmental funding agencies. A significant reduction in the level of this support, if this were to occur, may have an effect on the Organization's programs and activities.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other function but provide for the overall support and direction of the Organization.

Income tax status

The Organization is a qualified organization exempt from federal and California income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code (IRC) and 23701(d) of the State of California Revenue and Taxation Code.

The Organization has evaluated its current tax positions and has concluded that as of June 30, 2024, the Organization does not have any significant uncertain tax positions for which a reserve would be necessary.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of support, revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Comparative financial information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2023 from which the summarized information was derived.

Subsequent events

The Organization has evaluated subsequent events through December 16, 2024, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Organization's financial statements.

Leases

The Organization leases its office space and equipment under operating leases and finance leases, respectively. The Organization determines if an arrangement is a lease at inception. The operating lease is reported as an operating lease right-of-use ("ROU") asset and an operating lease liability on the statement of financial position. The finance lease is reported as the finance lease asset and finance lease liability on the statement of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As the Organization's leases do not provide an implicit rate, it elected to use a risk-free rate based on the information available at the lease commencement date in determining the present value of lease payments. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

The Organization has elected not to recognize right-of-use assets and lease liabilities for short-term leases and instead records them in a manner similar to operating leases under legacy leasing guidelines. A short-term lease is one with a maximum lease term of 12 months or fewer and does not include an extension option that the lessee is reasonably certain to exercise.

3. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments consisted of the following:

Money market funds	$ 76,073
Mutual funds and exchange traded funds	426,817
U.S. Treasury notes	133,632
Domestic and foreign common stocks	2,464,488
Corporate and foreign bonds	1,263,968
	$ 4,364,978

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of June 30, 2024:

	Level 1	Level 2	Level 3	Fair Value
Money market funds	$ 76,073	$ -	$ -	$ 76,073

	$ 3,101,010	$ 1,263,968	$ -	$ 4,364,978

4. PROPERTY AND EQUIPMENT

Property and equipment consisted of the following:

Vehicles	$ 80,477
Equipment	51,880
Furniture and equipment	247,118
	379,475
Accumulated depreciation	(344,935)
	$ 34,540

Depreciation expense totaled $8,640 for the year ended June 30, 2024.

5. ACCRUED EXPENSES

Accrued expenses consisted of the following:

Accrued provider expenses	$ 404,821
Accrued salaries and wages	1,369,453
Accrued vacation	326,348
Other accrued expenses	194,900
	$ 2,295,522

6. LEASES

The Organization leases an office and operation facility on Masonic Avenue in San Francisco under a non-cancelable operating lease expiring in December 2027. The lease has an option to extend for an additional five years which the Organization is reasonably certain it will exercise, The lease requires a monthly lease payment ranging from $6,756 to $7,540.

During 2023, the Organization entered into a finance lease agreement to finance the purchase of a copier. The lease agreement matures in March 2028 and requires a monthly payment of $1,152.

The components of lease expense as of June 30, 2024 were as follows:

Lease cost	
Operating lease cost	$ 86,212
Finance lease cost	
Amortization of lease right-of-use asset	12,659
Interest on lease liability	1,935
Variable lease cost	20,531
	$ 121,337

Weighted average remaining lease term - operating lease	8.5 years
Weighted average remaining lease term - finance lease	3.8 years
Weighted average discount rate - operating lease	2.88%
Weighted average discount rate - finance lease	3.52%

6. LEASES (continued)

Future minimum lease payments under non-cancellable leases as of June 30, 2024 were as follows:

Year ending June 30,	Operating	Finance	Total
2025	$ 83,971	$ 13,824	$ 97,795
2026	84,810	13,824	98,634
2027	85,658	13,824	99,482
2028	86,515	10,368	96,883
2029	87,380	-	87,380
Thereafter	312,656	-	312,656
	740,990	51,840	792,830
Less: imputed interest	(85,549)	(3,343)	(88,892)
Total lease liabilities, net of interest	655,441	48,497	703,938
Current portion	(65,956)	(12,314)	(78,270)
	$ 589,485	$ 36,183	$ 625,668

7. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consisted of the following:

Restricted for a specific purpose	
Job placement and readiness	$ 259,380
Site development and renovations	527,004
Meals and nutrition program	65,000
Educational programs	100,000
Inclusion specialized program	51,400
Other	9,025
	$ 1,011,809

There were no net assets with donor restrictions released during the year ended June 30, 2024.

Net assets released from restriction consisted of the following:

Site development and renovations	$ 9,772
Inclusion and specialized programs	51,400
	$ 61,172

8. IN-KIND CONTRIBUTIONS

The Organization maintains a lease agreement with the City and County of San Francisco for a facility in Bayview, San Francisco. The lease commenced on August 6, 2006 and operates on a month to month basis. No rental payment is required provided that the premises be used as a childcare center. The fair value of the monthly rent is approximately $9,550 per month and has been recorded as in-kind contribution revenue on the statement of activities.

The Organization maintains a sublease agreement with a California public non-profit corporation, the San Francisco Housing Authority, for a facility in Hayes Valley, San Francisco. The lease commenced on March 1, 2011 with an initial three year term, and an option to extend for two consecutive five year terms. The Organization exercised their option for two consecutive five-year term renewals which will expire in February 2024. The annual rent amounts to $1. The fair value of the monthly rent is approximately $2,000 per month and has been recorded as in-kind contribution revenue on the statement of activities.

In-kind contributions for the year ended June 30, 2023 were as follows:

Donated rent	$ 138,600
Donated subscription services	20,000
	$ 158,600

Donated rent is valued at the estimated fair market value based on current rates for similar properties in the neighborhood. Donated subscription services is valued based on the current rates for similar services. The in-kind rent and subscription services received during the year ended June 30, 2024 included no donor restrictions. Contributed rent was utilized by the Organization for its child development and family support programs. Contributed subscription services was used for general operations.

9. COMMITMENTS AND CONTINGENCIES

Contracts

The Organization's grants and contracts are subject to inspection and audit by the appropriate governmental funding agency. The purpose of such audits is to determine whether program funds were used in accordance with their respective guidelines and regulations. While management believes program funds were utilized in accordance with program guidelines, it is possible that funded program costs could ultimately be disallowed. The ultimate liability, if any, which may result from these governmental audits cannot be reasonably estimated and, accordingly, the Organization has recorded no additional provisions for the possible disallowance of program costs on its financial statements.

9. COMMITMENTS AND CONTINGENCIES (continued)

Concentrations of credit risk

The Organization receives a substantial amount of its support from federal, state and local governments. A significant reduction in the level of this support, if this were to occur, may have an effect on the Organization's programs and activities.

10. EMPLOYEE BENEFIT PLAN

The Organization has a salary reduction contribution plan pursuant to Section 403(b) of the Internal Revenue Code (IRC), covering substantially of all of its employees. Under the plan, employees are allowed contribute a specified percentage of their salary, or a fixed dollar amount, to the plan up to amounts allowed by the IRC. The Organization makes a two-percent matching nonelective contribution to eligible employees. Total contributions made by the Organization for 2024 totaled $674,299.

11. LIQUIDITY AND FUNDS AVAILABLE

As part of the Organization's liquidity management, it structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To meet liquidity needs, the Organization has cash and cash equivalents, receivables, and investments available.

The following is a quantitative disclosure which describes assets that are available within one year of June 30, 2024 to fund general expenditures and other obligations when they become due:

Financial assets	
Cash and cash equivalents	$ 4,531,479
Investments	4,364,978
Grants receivable	2,965,852
Contributions receivable	451,400
	12,313,709
Less: amounts unavailable for general expenditures	
Net assets restricted for a specific purpose	(1,011,809)
	(1,011,809)
	$ 11,301,900

The Organization has financial assets available at June 30, 2024 to cover approximately 8 months of operating expenses based on the actual fiscal year 2024 expenses.

SINGLE AUDIT REPORTS AND SCHEDULES

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
FACES SF
San Francisco, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of FACES SF (the "Organization"), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated December 16, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies.

Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

December 16, 2024

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
FACES SF
San Francisco, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited FACES SF (the "Organization")'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2024. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weakness or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

FACES SF
Notes to Schedule of Expenditures of Federal and State Awards
June 30, 2024

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal and state awards (the "Schedule") includes the federal and state award activity of FACES SF (the "Organization") under programs of the federal government and State of California for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements*, *Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the California Department of Education. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or limited as to reimbursement. Pass-through entity identifying numbers are presented where available and applicable.

3. INDIRECT COST RATE

The Organization has not elected to use the 10% de minimis indirect cost rate for federal awards as allowed under the Uniform Guidance. The Organization applies indirect costs in accordance with the specific terms of its federal award agreements.

FACES SF
Schedule of Findings and Questioned Costs
For the Year Ended June 30, 2024

FACES SF
Notes to Child Care Supplementary Information
For the Year Ended June 30, 2024

In accrodance with the applicable requirements from the Funding Terms & Conditions:

1. Interest expense is only allowable as a reimbursable cost in certain circumstances when it has been preapproved by the administering state department or relates to the lease purchase, acquisition, or repair or renovation of early learning and care facilities owned or leased by the contractor. No interest expense was claimed to a child development contract for the year ended June 30, 2024.

2. All expenses claimed for reimbursement under a related party rent transaction must be supported by a fair market rental estimate from an independent appraiser, licensed by the California Office of Real Estate Appraisers. No related party rent expense was claimed as a reimbursable expense for the year ended June 30, 2024.

3. Bad debt expense is unallowable unless it relates to uncollected family fees where documentation of adequate collection attempts exists. No bad debt expense was claimed to a child development contract for the year ended June 30, 2024.

APPENDIX B
